

Organ Scholarship

Organ Scholarship – 2022/23

Background

Dulwich College (Singapore) has established an excellent reputation for developing the very finest musicians through its extensive music and orchestral programme. Organ Scholarships in Dulwich offer unparalleled opportunities to talented organists who wish to develop their skills significantly during the period of their academic studies.

Our Organ Scholars undergo a programme of tuition and coaching with a specialist organ teacher to ensure that they are able to perform and accompany in various concerts and assemblies at the College. Dulwich College (Singapore) holds the distinction of being the only school in Singapore with a pipe organ. The organ was made in Las Pinas, a city near Manila, over the course of a year by a team of 15 craftsmen.

How the Scholarship will work

The 2022/23 Organ Scholarship can be applied for by any student who considers themselves to have the musical qualities, talent and skills required. The College will award one Junior and one Senior Organ scholarship each year. The scholarship will cover the cost of weekly private tuition (1 hour per week) during school term time.

How to apply?

If you are interested in becoming an Organ Scholar please email Mr Gleeson, Director of Music (canice.gleeson@dulwich.org), and include a **cover Letter outlining your musical experience and reasons for applying for the scholarship.**

If the initial application is successful, you will be contacted by the Director of Music to book a Musical Assessment and Interview.

The decision to award the scholarships will be made by the Director of Music and the Head of College.

For any general queries about the Organ Scholarship please contact the Director of Music:
canice.gleeson@dulwich.org
